We are pleased to announce that the 2025 HETSA conference will be held from 16th July to 18th July 2025. We now call for papers relating to any aspect of the history of economic thought broadly considered.

Contributions are especially welcome from students and we are very open to contributions from scholars whose primary discipline is not the history of economic thought (such as, history of science, history of philosophy and political economy) whose work is relevant to issues in our field.

Details pertaining to registration, accommodation options, and other aspects of the event will be communicated shortly. There will be a dedicated conference website which will go live shortly. **All abstracts and proposals for sessions should be submitted via email by 1 May 2025 and all full papers by 15th June 2025 to David Gilchrist (david.gilchrist@uwa.edu.au) or Riko Stevens (rikostevens@live.com)**
